## Steering clear of tragedy

**Round Lake Park, IL** – This holiday season, Round Lake Park Police teamed up with the Illinois Department of Transportation and law enforcement agencies statewide for the “Drive Sober or Get Pulled Over” campaign, targeting impaired drivers and enforcing occupant protection from Dec. 13 through Jan. 2. The following citations were issued:

- 34 Speeding citations
- 2 Distracted Driving citations
- 2 Traffic Arrests
- 23 Other citations

The enforcement initiative, administered by IDOT and funded by the National Highway Traffic Safety Administration, underscores the collective commitment to safer roadways, particularly during high-risk times like the holidays.

“This effort isn’t just about enforcement,” said Chief Burch. “It’s about protecting lives and ensuring every celebration ends safely for everyone.”
