The Round Lake Park Police announces distracted driving enforcement results

Round Lake Park, IL—The Round Lake Park announced it issued 38 citations for hands-free law violations, 7 speeding citations and 2 traffic arrest during April's Distracted Driving Awareness Month enforcement campaign. Additional enforcement was also executed during night hours and 11 speeding citations were issued, plus 2 traffic arrests, 1 criminal arrest as a result.

"Driver distraction is a persistent issue everywhere and often has life-altering consequences," says Chief Burch. "Issuing a citation is a proven way to get motorists to pay attention or pay the price."

"Distracted Driving Awareness Month may be over, but Round Lake Park Police will continue their efforts to stop citizens from engaging in this deadly behavior," notes Chief Burch.

Round Lake Park Police joined forces with the Illinois State Police, local law enforcement, and highway safety partners for this enforcement effort.

The Illinois distracted driving campaign was funded with federal traffic safety funds administered by the Illinois Department of Transportation.
