Drive smart: Reduce your speed for safer travel

Round Lake Park, IL – The Round Lake Park Police Department announced it is partnering with the Illinois Department of Transportation, the Illinois State Police, and more than 200 local law enforcement agencies to step up enforcement efforts across the state to reduce speeding. Throughout July, motorists can expect increased patrols looking for speeding, as well as other traffic violations.

During the speeding enforcement blitz, officers will intensify enforcement of posted speed limits.

"Offenders will be stopped and ticketed – especially on **[insert areas where your city or community has problems, i.e., neighborhood, school zone or secondary roads]**, where most of our speed-related crashes occur," said **[Your Department's Spokesperson**]. "Our goal is to save lives."

The speed enforcement effort is made possible by federal traffic safety funds administered by IDOT.
