Round Lake Park Police Department announces additional traffic enforcement

Round Lake Park, Ill. — The **Round Lake Park Police Department** will conduct additional traffic enforcement from **October 1st 2026,** through **September 1st 2027** to help reduce crashes and save lives. The effort is supported by a federal fiscal year 2027 Sustained Traffic Enforcement Program grant administered by the Illinois Department of Transportation.

During this enforcement period, **[officers or deputies]** will focus on **[select one or more enforcement priorities that match your plans: impaired driving, speeding, distracted driving, failure to yield, disobeying traffic signals or seat belt violations]**.

The enforcement effort will support **"Drive Sober or Get Pulled Over," "Click It or Ticket" and "Drive High. Get a DUI"]**. These high-visibility campaigns combine enforcement and public awareness to encourage safer driving.

The FY27 STEP grant period runs from Oct. 1, 2026, through Sept. 30, 2027. Throughout the grant year, **Round Lake Park Police** will conduct additional enforcement, including during periods with a higher risk of serious crashes.
